Dear Member,

It is with pleasure that I invite you to attend the 2009 Annual General Meeting of Dalgety Bay Sailing Club. This meeting will take place on Saturday 21 November at 1300hrs. As I have already indicated in the October Mainsheet, your vote will count and your presence will be welcomed by your outgoing / continuing and new committee for 2009 – 2010.

As you know we shall be holding a vote to decide on whether the club should remain with the current all inclusive membership fee OR make a move towards one of two other options. A presentation has been put together and assuming we do not receive any further proposals to consider then this will be sent in full 14 days prior to the AGM. I wish to thank Fergus McKay, on behalf of the committee, who felt he had a proposal for the membership structure which offered something a little different to that presented in the Draft document which had been circulated earlier. It is to Fergus' credit that you will have the opportunity to vote for three differing cost structures at the AGM.

I have already received some apologies from both voting and non-voting members. I thank you for your courtesy and support.

May I urge you the membership to support your AGM to maximise our democratic vote in a year that could shape the clubs membership fee structure and the overall health of the clubs operation.
